02/23/2019		DOCKET TEXT ORDER (no separate order issued:) TENTATIVE RULING ON VALERO REFINING MOTION FOR RELIEF FROM STAY. CONTINUE PRELIMINARY HEARING TO APRIL 23, 2019, AT 9:30 am. As a preliminary matter, the Valero motion is defective because it is redacted on pages 8 and 9 and two exhibits are missing, with a notation that they are subject to a motion to file under seal. To date the court has not been asked to seal or redact anything submitted by Valero. Turning to the substance of the motion, it is far too early in this case to consider relief from stay for a party to pursue tort claims, even those having nothing to do with the 2017 and 2018 wildfires. The debtors have not yet obtained orders for employment of bankruptcy counsel, outside litigation counsel or ordinary course counsel. The two official committees have just been appointed and their counsel and other professionals have not been employed by court order. The debtors, committee counsel, other parties in interest and the court need time to consider whether there can and will be a coordinated and structured approach for dealing with tort claims in general. Whether such an approach, if implemented, will deal with claims such as asserted by Valero remains to be seen. If Valero accepts this tentative ruling, its counsel should file notice to that effect via ECF no later than 4 PM, PST, on Monday, February 25, in which case the matter will be dropped from the February 26, calendar. (RE: related document(s) 315 Motion for Relief From Stay filed by Creditor Valero Refining Company-California). (Montali, Dennis) (Entered: 02/23/2019)
02/24/2019		DOCKET TEXT ORDER (no separate order issued:) Because the Official Committee of Unsecured Creditors has requested, and the debtors have agreed, to a continuance of certain motions listed below (See Dkt. No. 610, fn. 3), the court WILL NOT be making final rulings as to those motions on February 27, 2019, at the 9:30 AM hearing. Instead it will set a future date for consideration of those four motions. The short titles of those motions are: Cash Management; Operational Integrity; Customer Programs; and DIP. At the hearing the court WILL CONSIDER, and possibly rule, on timely objections by other parties to those four motions and all the other motions on calendar, along with responses of the debtors to those objections, including any requests for continuances. (Montali, Dennis) (Entered: 02/24/2019)
